

Vision for Jamboree Denmark 2026

Jamboree Denmark 2026 is an engaging community for 30,000 kids, youth and adults. Together we create the biggest jamboree in the Nordic.

This means that:

- Kids and youth guide kids and youth in activities and camp life.
- We all have a responsibility to help create the jamboree that we are dreaming of.
- We are a lot of people gathering in our jamboree community and at Jamboree Denmark 2026 we include everyone.

Jamboree Denmark 2026 reaches further than the guide and scout movements and take an active part in our surrounding community.

This means that:

- Jamboree Denmark 2026 actively engages in the host municipalities.
- Jamboree Denmark 2026 is active in topics which affect the everyday life of kids and youth.
- Guides and scouts are challenged through experiences to form their own opinions and respects the opinions of others.

Jamboree Denmark 2026 take conscious choices in relation to humans and the environment.

This means that:

- At Jamboree Denmark 2026 we take responsibility for the well-being of all volunteers.
- Before, during and after Jamboree Denmark 2026 we are conscious of how our actions strain the environment and nature.
- We make it visible for everyone at Jamboree Denmark 2026 how their choices affect the environment and our surrounding nature.
